### How to Share your Diabetes Technology with AE: MEDTRONIC Insulin Pumps

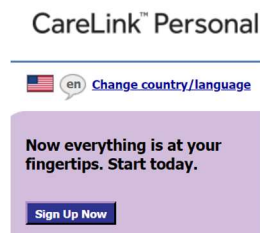

#### Sharing your pump report from your computer using Carelink

Go through these instructions to review how to set up a Carelink account and then upload your insulin pump data to your account. **You will need to bring your Carelink username and password to your visit to allow us to “link” to your personal Carelink account.** We ask that you upload prior to each visit to make the check-in process quicker when you arrive at the office.

You can always contact the 24-Hour Medtronic HelpLine for Carelink support at 1-800-646-4633, Extension 21103.

**Create your personal Carelink account here by selecting “Sign Up Now”**
